Re: Application # 10/675,722

Correction of Non-Compliance

Enclosed, you will find a re-submission of our 9/9/05 which now integrates the original application with the notations you requested by indicating additions to the original by underlining and deletions from the original by bracketing. The figures attached to the 9/9/05 submission were identical to the ones sent with the original application and are now re-submitted as Replacements.

If any further information is needed, please contact the undersigned. Thank you for your assistance (and patience) on this matter.

Respectfully yours,
